MALDIVES

VENTURE FORTH, AND SLIP THE BOUNDS OF TIME

The clock, it binds us. It ticks relentless, marching us forever forward with its unyielding beat.

But what if we were unshackled from its grip? What beauty we might uncover; what freedom we might find.

The Nautilus exists beyond the bounds of time. It is a place where nothing is fixed, and anything is possible. Where you are free to set your own beat. Free to do – and to be – as you please.

YOUR JOURNEY BEGINS

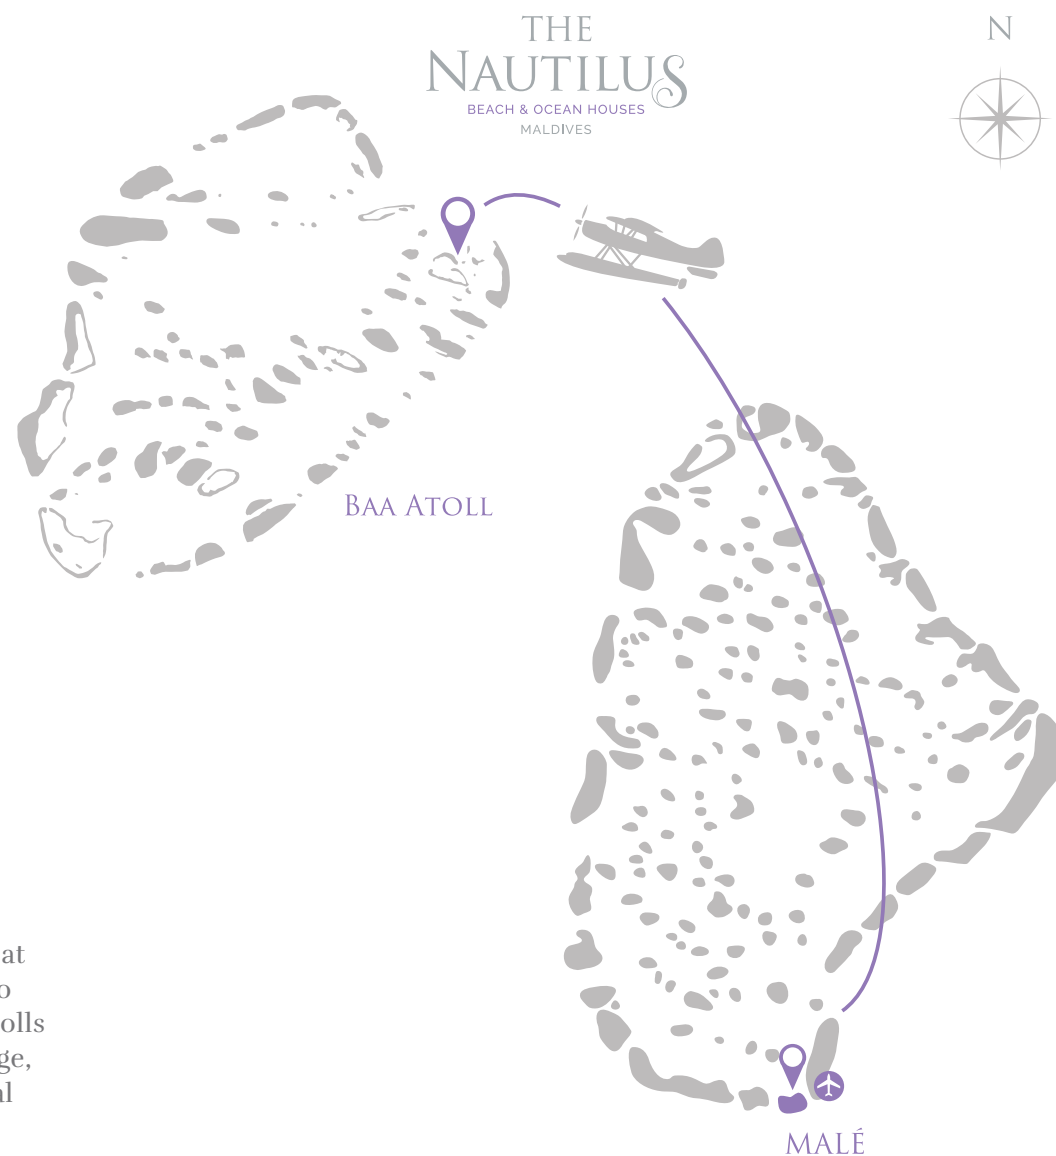

The Nautilus is your luxury bohemian hideaway in the Maldives. A highly personalised, immensely private resort of 26 beach and ocean houses where every experience is tailored to you.

Size: 242 x 249 metres

Location: UNESCO World Biosphere Reserve, Baa Atoll

5°15'44.4"N 73°09'18.6"E

Getting here: The Nautilus experience begins as soon as you touch down at the airport. You'll be greeted as you disembark your plane, and ushered to a private VIP lounge for immigration and customs. Soar above swirling atolls aboard a seaplane direct from the comfort of The Nautilus's private lounge, touching down at your doorstep just 30 minutes later. For a truly personal experience, charter your own private seaplane from Malé.

THE FREEDOM TO SIMPLY BE

We drift through life distracted. Driven only by what's in front of us, oblivious to the beauty around us. We spend lifetimes in search of meaning, only to wind up lost along the way. And as time slips by, we lose touch with ourselves, and with each other.

A celebration of the individual spirit, The Nautilus offers liberation. Freedom unconditional. Space to share, to meet, to be yourself and shape your own personal journey. And, most of all, to celebrate the people you're with, in any way you choose.

Because in the end, it's these simple, elemental pleasures – that ability to simply be – that form the greatest luxury of all.

SPACE TO CALL YOUR OWN

At The Nautilus, only 26 beach and ocean houses line our shores – each a personal suite-style sanctum with its own separate living room and private pool, infusing the comforts of home with a bohemian whimsy that invites you into the barefoot life.

Your connection to the world outside: a private butler service, dedicated to ensuring every element of your house is tailored to you.
